In checking on this subject, I learned that [redacted] case is in administrative processing under the EEO regulations and that, as such, it would be inappropriate for me to comment on the details regarding the substance of his claims. I have also been advised that there is a long queue of similar EEO complaints awaiting a hearing examiner. However, I want to assure you that every attempt is being made to expedite the processing necessary to reach the hearing examiner under the existing regulations governing the handling of such complaints.

Sincerely,
